

# Diversity, Equity and Inclusion Statement

As fourth generation stewards of our family business, we recognise that our most important asset has always been our people. The talent, skills, dedication, and accomplishments of people across the organisation is our greatest source of pride.

Our mission today is to build on our heritage and distinctive family-business culture to enable our people to develop and flourish for decades to come. We welcome diversity of experiences, thought processes, languages, customs, and beliefs across our businesses, offering the same commitment, fair opportunity, and treatment for everyone so that all our colleagues can thrive and reach their full potential.

We are a values-driven business, committed to providing an equitable, kind, and inclusive place to work.
